MONDAY EVENING CLUB.

On Saturday afternoon Mrs. R. M. Callaway at her home on Frisco Avenue entertained the ladies of the Monday evening club and a few invited guests in honor of her sister-in-law, Mrs. W. H. Redwine of Cleveland, Ohio, who is spending the holidays with her.

Mrs. M. C. Musser and Miss Mildred Callaway in a very cordial manner assisted the hostess in receiving.

The house was most tastefully decorated in Christmas greens and cut flowers and the soft glow of the Christmas candles cast a charm over all. Progressive ruck was enjoyed for a time and later an elegant four course lunch was served.

Merry Christmas spirit and good cheer seemed to permeate the whole affair and all too soon those present realized that a most happy afternoon was almost spent.

Each guest on bidding the hostess adieu was presented with a dainty souvenir.

Those present were: Mesdames W. H. Redwine, M. C. Musser, Solon Wright, Fred Salzer, A. W. Wightman, Sam Chapell, C. B. Woodruff, F. P. Sizer, J. J. Davis and Andy Hawkins.

Man Coughs and Breaks Ribs.

After a frightful coughing spell a man in Neenah, Wis., felt terrible pains in his side and his doctor found two ribs had been broken. What agony Dr. King's New Discovery would have saved him. A few teaspoonfuls ends a late cough. While persistent use routs obstinate coughs, expels stubborn colds or heals weak, sore lungs. "I feel sure it's a God-send to humanity," writes Mrs. Elie Morton, Columbia, Mo. "for I believe I would have consumed today, if I had not used this great remedy." Its guaranteed to satisfy, and you can get a 50c or \$1.00 size at A. H. Cox & Co.

It is reported that the big mining plant will be rebuilt at Pioneer soon. The plant was destroyed by fire May 31, 1912, just as it was getting in full operation. The plant had just been completed and there were prospects of a good mineral output. The loss was estimated at \$30,000 but was partially insured. Mining is going on there at present and a mill is needed to handle the product.—Wheaton Journal.

A BEAUTIFUL WEDDING

One of the most beautiful weddings Monett has seen in some time was on Sunday, December 22 at 3 o'clock p. m. at the home of Mr. B. E. Williams on Eighth street, when Miss Jewell Williams was united in the holy bonds of matrimony to Mr. Grover C. Faust.

The decorations were white and pink carnations and ferns. The bride was attired in a hand some blue traveling suit. The words which made them no more twain but one flesh were spoken by Rev. John B. Jordan, pastor of the M. E. Church, South.

After the ceremony a sumptuous dinner was served by Mrs. Williams, the bride's mother, assisted by Mrs. W. C. Gilbert, Emmett Williams and family of Carthage, Don Williams and family, H. C. Hinds and family and Rev. and Mrs. J. B. Jordan were guests.

After dinner the bride and groom left for Springdale, Ark., where they will spend a few days with the groom's mother, then take a bridal tour, visiting relatives and friends in Oklahoma. In about three weeks they expect to return and make their future home in Monett, where they will be welcomed by many friends.

CHRISTMAS REUNIONS.

How many families whose members have been dispersed and scattered far and wide in the restless struggles of life are on this day reunited and meet once again in that happy state of companionship and mutual good will which is a source of such pure and unalloyed delight and one so incompatible with the cares and sorrows of the world, that the religious belief of the most civilized nations and the rude traditions of the roughest savages alike number it among the first joys of a future condition of existence provided for the blest and happy! How many old recollections and how many dormant sympathies does Christmas time awaken!—Charles Dickens.

A board of censorship has been created in Pittsburg, Kan., the object of which is to censor the films used in the 5 and 10 cent shows. Three of the ladies of the city constitute the board and their duty is to pass on the moving pictures before they are run and if any are found to be objectionable the managers of the show are so informed and they are not permitted to exhibit them. This should be done by every city for the reason that many of the films sent out are positively harmful to the youth of the community.

Doctors Use This for Eczema

Dr. Evans, Ex-Commissioner of Health, says: "There is almost no relation between skin diseases and the blood." The skin must be cured through the skin. The germ must be washed out, and so salves have long been found. The most advanced physicians of this country are now agreed on this, and are prescribing a wash of wintergreen, thymol and other ingredients for eczema and all other skin diseases. This compound is known as D.D.D. Prescription for Eczema.

Dr. Holmes, the well known skin specialist writes: "I am convinced that the D.D.D. Prescription is as much a specific for eczema as quinine for malaria. We have been prescribing the D.D.D. remedy for years."

V. C. Evans vouch for the D.D.D. remedy.
